It's herewith confirmed to comply with the requirements of FCC Part 15 Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The result has been evaluated by Attestation of Global Compliance (Shenzhen) Co., Ltd. and showed in the following test report.

| Requirement           | Test Report No.    | Result  |
|-----------------------|--------------------|---------|
| FCC Part 15 Subpart B | AGC11563260601FE01 | Conform |

It is understood that each unit marketed is identical to the device as tested, and any changes to the device that could adversely affect the emission characteristics will require retest.

The following manufacturer is responsible for this declaration:
