The submitted products have been tested by us according with the listed Standard(s) used for showing compliance with the essential requirements in the specified following FCC Rules and Regulations:

FCC Rules and Regulations Part 15 Subpart B Class B

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

The test results apply only to the particular sample tested and to the specific tests carried out. This verification applies specifically to the sample investigated in our test reference number only.

Certified by:

Simple Guan
